

Want to Make Some Glass Beads???

Laughing Mango Design is now teaching semi-private lessons!!

With our new studio in Eldorado Canyon, we are now able to offer 3 person glass bead-making classes. As a class participant, you will get plenty of personal attention and everything you need to make many lamp worked glass beads. In addition, you will actually be able to create two pieces of jewelry with your beads to bring home at the end of class!

The class length is 6 hours total and we like to complete this on two different days. We currently don't have specific dates for classes but are open to working with your schedule.

In addition to making all the glass beads time allows, you will leave the class with the following pieces of jewelry (made from your own beads):

1 sterling silver snake chain necklace with glass bead pendant (\$54 value)

OR 1 cable necklace with single glass bead (\$44 value)

AND 1 pair of glass bead earrings (\$36 value)

Along with the \$90 worth of jewelry, all supplies needed are included in the class price. You don't have to show up with ANYTHING but yourself, your creativity and the desire to have a lot of fun!

Total cost of lesson: \$150.00

Total payment due at sign up time. We accept personal checks, cash, VISA/MC. Full refund can be issued only if notice is 5 days prior to class. We hate to be sticklers, but since space is so limited, we really need to teach each class with all 3 participants. With less than 3 days notice only 50% of fee will be refunded unless you find a friend to take your spot or we have somebody already on our waiting list.

All classes are filled on a first come, first served basis. Please call with questions or to reserve a space: Contact Holly @ 303.588.0565, or email her at: holly@laughingmango.com

Take the class with friends! If you have a couple of interested friends and our times don't work, give us a call to discuss a possible alternate class time.

Upon confirmation of a place in our class, we will mail you a more comprehensive list of details, and directions to our studio.

We hope you join us to forget the stress of everyday life for a few hours and let your creative spirit soar!
